(WINNER OF THE CLEARWELL, LEVANT AND GLASGOW STAKES IN 1878; THE ST. JAMES' PALACE STAKES, THE SUSSEX, ZETLAND, SELECT CHAMPION, GREAT FOAL STAKES, THE GREAT CHALLENGE STAKES AND DONCASTER ST. LEGER, IN 1879; THE PRIX DU CADRAN AND PRIX RAINBOW AT PARIS, AND THE POST STAKES, THE PRINCE OF WALES STAKES AND THE ROUS MEMORIAL STAKES, IN ENGLAND IN 1880.)

From the Horse Breeders' Guide and Hand Book, by Col. S. D. Bruce.

"RAYON D'OR (Ray of Gold), by Flageolet, son of Plutus, bred in Dangu Stud, France, foaled 1876, dam Araucaria, dam of Chamant, Camelia, etc., by Ambrose, son of Touchstone, out of Pocahontas, dam of Stockwell, Rataplan, King Tom, etc., by *Glencoe. Rayon d'Or made his debut in England as a two-year-old by winning the Levant Stake, half a mile, at Goodwood, carrying 122 pounds, beating Flavius, Galantha and two others. At Doncaster, in September, he won a sweepstake, at three-quarters of a mile, with 129 pounds, beating Charibert and Reconciliation. At the Newmarket Second October Meeting won the Clearwell Stakes, carrying 131 pounds, with such horses as Ringleader and Bay Archer, 122 pounds each, second and third, and three others; the Glasgow Stakes, at the Newmarket Houghton Meeting, three-quarters of a mile, beating Ringleader and Glencairn. During the winter and spring which followed, Rayon d'Or was much fancied both for the 2,000 guineas and Derby, but his running was a disappointment. He was third to Charibert and Cadogan for the 2,000 guineas, and was unplaced for the Derby, won by Sir Bevy's. At Ascot, on the first day, he was third for the Prince of Wales Stakes, to Wheel of Fortune and Adventure, but on the third day he won the St. James' Palace Stakes with 122 pounds, over the severe "Old Mile," beating Charibert, Ruperra and seven others. At Goodwood Rayon d'Or won the Sussex Stakes, one mile, beating Ruperra, Leap Year and Exeter, and won the great Doncaster St. Leger, Ruperra second and Exeter third, and fourteen others unplaced, including the winner of the Derby, Sir Bevy's. The next day Rayon d'Or "walked over" for the Zetland Stakes, Mr. Crawford's Pell Mell Colt saving his stake. At the Newmarket First October Meeting won the Great Foal Stakes with 131 pounds, beating Discord, Palmbearer and three others, but at the same meeting was beaten by Bay Archer for the Newmarket St. Leger, he yielding 7 pounds, after which Rayon d'Or won the Select Stakes, Rowley Mile, beating Discord and three others; the Champion Stakes, across the flat, one mile, 2 furlongs, 73 yards, beating Placida, the Oaks winner, Exeter and five others, and the Grear Challenge Stakes, Brethly Course, six furlongs, beating Lollypop, Placida, Parole and others. He ended his three-year-old career by running third for a handicap "Across the Flat" to Out of Bounds, who carried 110 pounds to Rayon d'Or's 126 pounds. His earning for the year amounted to \$87,735. As a four-year-old Rayon d'Or began by winning the Prix du Cadran, 2 miles and 5 furlongs, beating Zut, Salteador and others, and the Prix Rainbow, 3 miles and a furlong, beating Zut and Clocher at the Paris Spring Meeting in March. He was immediately afterward sent to England, where, on the 16th of April, at Newmarket, he "walked over" for the Post Stakes (the two middle miles). At the Newmarket First Spring meeting—two weeks later—he "walked over" for the Prince of Wales Stakes (the Cesarewitch Course). At Ascott he won the Rous Memorial Stakes over the New Mile, carrying

132 pounds ; but in running for the Hardwicke Stakes at the same meeting over the Swinley Course (mile and a half) he was beaten a head by Exeter, to whom he was giving 10 pounds. This race closed his turf career, placing to his credit a total of \$122,140.65.

Flageolet, his sire, was a superior race-horse. He won his first race in France at two years old, defeating a large field. Won the Hopeful Stakes, one-half mile, at Newmarket, 128 pounds; won the Rutland Stakes, three-quarters of a mile, 129 pounds, beating His Grace and two others ; won the Forlorn Stakes, Rowley mile, 128 pounds, beating Lord Mayo, 122 pounds ; won Burwell Stakes, 5 furlongs, 128 pounds, defeating Amalie Von Edelreich, 122 pounds; was unplaced in Middle Park Plate, won by Surinam. Ran second to Andred in the Prendergast Stakes, Surinam and three others behind him. Won the Criterion Stakes, three-quarters of a mile, defeating Paladin, Kaiser and four others. As a three-year-old ran second to Boiard in the Prix du Jockey Club (French Derby), and second to him in the Grand Prix de Paris in 1873. He was also second to Apollon in the Prix du Cedre, same year. Crossing the Channel, he was unplaced in the 2,000 guineas, won by Gang Forward ; ran second to Cremorne in the Gold Cup at Ascott ; won the Goodwood Cup, in which he beat both Favonius and Cremorne, the Derby winners of 1871 and 1872. He ran second to Uhlan in Brighton Cup ; won the Grand Duke Michael Stakes at Newmarket First October Meeting ; won a free handicap sweepstakes across the flat, and the Jockey Club Cup at the Newmarket Houghton Meeting. As a four-year-old he ran second to Boiard twice in France ; won the Claret Stakes at Newmarket, England ; was second to Boiard in the Gold Cup, and third to King Lud and Boiard in the Alexandra Plate, both at Ascot. This closed his turf career. Plutus, his sire, was unplaced in the Derby of 1866, but won some races and ran creditably in others.

Araucaria, Rayon d'Or's dam, was the dam of Camelia, winner of the 1,000 guineas, and ran a dead heat and divided the Oaks Stakes with Enguerrande. Chamant, by Mr. Lorillard's Mortemer, out of Araucaria, won the Middle Park Plate and the Dewhurst Plate in England at two years old, and at three won the 2,000 guineas. The blood on the sire side is a combination of Touchstone through Orlando, a Derby winner, Bay Middleton, son of Sultan, a Derby winner, Venison and Glencoe, through Darkness, a winner of the Ascot Stakes. On the dam's side, Touchstone, St. Leger winner, Priam, Derby winner, and Glencoe, through Pocahontas, dam of Stockwell, Rataplan, King Tom, etc. An analysis of the tabulated pedigree will show that he is richly and fashionably bred ; he has a double cross of Glencoe, a triple cross of Diomed, a double cross of Touchstone, fortified by the blood of Whalebone, doubled in upon the Herod and Eclipse blood on both sides to the Byerly Mare, dam of the Two True Blues. Rayon d'Or is probably the most magnificent specimen of his race ever imported. He is the highest priced horse ever shipped across the Atlantic. His cost delivered at his home is little short of \$40,000. In color he is a rich, true chestnut, with a large, rather faint, star in his forehead, standing 16 hands, $3\frac{1}{2}$ inches in height. He has a beautiful head, very broad between the eyes, with a fine, clean and tapering ear ; neck, long but broad where it enters the head ; shoulders well set and broad, with great depth of girth ; good, round barrel, with splendid back, hip and loin. His hips will be found broad, with great length from the point of the hip to the whirlbone, and thence to stifle and hocks, the latter clean cut and well placed, and the finest, soundest and best set of legs ever seen under a horse ; in fact, it is one of his great excellent points, and certainly nothing is more essential to a good race-horse. Rayon d'Or (Ray of Gold) deserves his name.

The winnings of the get of Rayon d'Or in 1886, their first appearance on the American turf, were \$1,965 ; in 1887, \$32,955.

ALGERINE.

(WINNER OF THE BELMONT STAKES AT JEROME PARK IN 1876.)

From the Horse Breeders' Guide and Hand Book, by Col. S. D. Bruce.

"ALGERINE, by Abd-el-Kader, son of *Australian, was bred by Major Thomas W. Doswell, Bullfield Stud, Hanover Junction, Va.; foaled 1873, dam Nina, the dam of Planet, Exchequer, Ninette, Eclipse, etc., by Old Boston. Algerine did not run as a two-year-old; he made his bow to the public in the Preakness Stakes at Baltimore in 1876, $1\frac{1}{2}$ miles, and was third to Shirley and Rappahannock in 2:44 $\frac{3}{4}$. At Jerome Park he won the Belmont Stakes, $1\frac{1}{2}$ miles, in 2:40 $\frac{1}{2}$, beating Fiddlesticks, the winner of the Withers Stakes, Barricade, brother to Bassett (Charley Howard) and Red Coat, each carrying 110 pounds. He was unplaced in the Dixie Stakes, 2 miles, at Baltimore, won by Vigil in 3:41 $\frac{1}{2}$, track muddy. As a four-year-old he started five times, ran second to Parole in the Maturity Stakes at Jerome Park, 3 miles, in 5:39; second to St. James, 2 miles, in 3:49 $\frac{1}{2}$; was unplaced in the All-Aged Sweepstake, $1\frac{1}{2}$ miles, won by Tom Ochiltree in 2:43. Won club purse, 2-mile heats, at Baltimore, in 4:02 $\frac{1}{2}$, 3:50, 4:00; track very heavy. Barricade won the second heat; was unplaced in the Eowie Stake, 4-mile heats, won by Ten Broeck in 7:42 $\frac{1}{2}$, 7:40. Abd-el-Kader, his sire, although badly hipped, was a fine race-horse at all distances; he won a dash of 4 miles at Saratoga in 1869, in 7:31 $\frac{3}{4}$, a very creditable performance. Nina, the dam of Algerine, was one of the best race-mares of her day; she was a winner at all distances, from one to four-mile heats, in good time, and produced Planet, one of the best horses in the country, at all distances, and for his chances a successful sire. Algerine is a blood bay, 15 $\frac{3}{4}$ hands, with black points, and no white about him. He is strongly inbred to Sir Archy, and on the sire's side is a grandson of the great West Australian, winner of the tripple events, 2,000 guineas, Derby and St. Leger, in 1853. Boston, the sire of his dam, was the best horse of any day. Algerine has no colts yet upon the turf, but from good mares should get winners and stayers; he traces on both sides of sire and dam many times, to Herod and Eclipse, through the famous Waxy and Dick Andrews, and with the Archy and Diomed blood on both sides, through Diomed's best sons."

The entire produce of Algerine, living to be two years old, numbers but thirty-two, three of which are of double parentage. Twenty of these have gone to the post and furnished the large proportion of fifteen winners, viz: Aurelia, Brian Boru, I. H. D., Allarene, Somerset, Krishna, Tunis, J. C. Burnet, Irish Dan, Sirocco, Velvet, Simoon, Radha, Binnacle and Torso.

WANDERER.

(WINNER OF THE RAILROAD STAKES AT NASHVILLE, 1872, THE MONMOUTH CUP AT LONG BRANCH, AND WESTCHESTER CUP AT JEROME PARK, 1873.)

From the Horse-Breeders' Guide and Hand Book, by Col. S. D. Bruce.

"WANDERER, by Lexington, son of Boston, bred in the Woodburn Stud, Ky., foaled 1868, dam Coral, dam of Uncas by Vandal, son of Glencoe out of *Cairngorme by Cotherstone, winner of the 2,000 guineas and Derby, son of Touchstone winner of the St. Leger.

Wanderer is descended from one of the most noted racing families of England, tracing back through an own sister to *Glencoe to the famous Web by Waxy. The family has furnished some of the most noted race-horses and successful sires of the English turf. From it came Whalebone, winner of the Derby in 1810; Whisker, winner of the same event in 1815; Cobweb, winner of the Oaks and 1,000 guineas in 1824; Riddlesworth, winner of the 2,000 guineas and Derby in 1836; Glencoe, winner of the 2,000 guineas in 1831; Bay Middleton, winner of the 2,000 guineas and Goodwood Cup in 1834; Blue Gown, winner of the Derby in 1868; Silvio, winner of both Derby and St. Leger in 1877, and a host of others.

Wanderer made his first appearance as a three-year-old and was unplaced in the Belmont Stakes at Jerome Park, and the Jersey Derby at Long Branch, both events having been won by his half brother, Harry Bassett. At Long Branch he won a club purse, mile heats, in 1:48 $\frac{3}{4}$, 1:48 $\frac{3}{4}$, defeating a field of seven. In his four-year-old form, at New Orleans, he won a race of mile heats in 1:51, 1:47 $\frac{1}{2}$, 1:47 $\frac{1}{2}$, beating Frank Ross, winner of the first heat, Niagara and Glenrose; won the Railroad Stakes at Nashville, Tenn., two-mile heats, in 3:41 $\frac{1}{4}$, 3:38 $\frac{1}{2}$, beating Hollywood, Frogtown, etc., and walked over for club purse, two-mile heats. As a five-year-old he won the Monmouth Cup at Long Branch, 2 $\frac{1}{2}$ miles, in 4:34 $\frac{1}{4}$, beating Preakness, Hubbard and others; won the Westchester Cup at Jerome Park, 2 $\frac{1}{2}$ miles, in 4:04, beating True Blue, Eolus and others. At Saratoga, ran second to Hubbard, 3 miles in 5:34, beating Harry Bassett and King Henry. Same meeting ran second to Arizona, 1 $\frac{1}{2}$ miles, in 2:38, beating Boss Tweed and Eolus. As a six-year-old won club purse at Savannah, Ga., 2 miles, in 3:43 $\frac{1}{2}$, beating Granger and four others, and also same meeting, a club purse, 1 $\frac{1}{4}$ miles, in 2:18 $\frac{3}{4}$, beating Ortolan and Tabitha. At Nashville, Tenn., won the Johnson Stakes, 2 $\frac{1}{2}$ miles, in 4:06 $\frac{1}{2}$, beating Planchette, St. George and two others. At Jerome Park ran second to Shylock, son of Lexington, in the Westchester Cup, 2 $\frac{1}{2}$ miles, in 4:13, beating Lizzie Lucas, Abd-el-Koree and two others, track heavy. Saratoga, won club purse, 2 $\frac{1}{2}$ miles, in 4:00 $\frac{1}{2}$, beating Fellowcraft, Jack Frost, Galway and Katie Pease. Same place, ran second to Fellowcraft, 4 miles, in 7:19 $\frac{1}{2}$, the fastest race at the distance ever run up to that date. In this race Wanderer beat Katie Pease and was timed the distance in 7:20.

Wanderer has been quite a success in the stud, having only a few mares, he sired One Dime a winner 1 $\frac{1}{2}$ mile in 1:55 $\frac{1}{2}$, 1 $\frac{1}{2}$ miles in 2:00 $\frac{1}{4}$, mile heats in 1:44 $\frac{1}{2}$, 1:44 $\frac{1}{2}$. Elkhorn Stakes, 1 $\frac{3}{4}$ miles in 3:05 $\frac{1}{4}$. Minnie C. (Mrs. Chubbs), winner of the filly stakes at Lexington, Juanita, 1 $\frac{1}{4}$ miles in 2:10. Lizzie S, filly stakes at Lexington, half mile in 0:49. Coquette Stakes at St. Louis, three-quarters of a mile in 1:18 $\frac{1}{2}$; five furlongs in 1:02; three-quarters of a mile in 1:16 $\frac{1}{2}$; one mile in 1:43. Mary Lamphier, Farragut, Nomad, Wakefield, Cash Clay, Waterford, Prophet, Rambler, Wandering, winner one mile in 1:45 $\frac{1}{4}$, and Capital Stakes, one mile in 1:44 $\frac{3}{4}$, and others all winners. His colts are the best the dams have produced. He is a rich golden chestnut, with the marks of his sire; is handsomely shaped and of very blood-like appearance, muscular and highly finished. His sire was the best race-horse and stallion this country has produced; his dam is by the best son of *Glencoe and traces through his own sister to Glencoe and Web by Waxy to a Natural Barb Mare. This is one of the pure sources through which the blood of Lexington and Glencoe should be preserved."

IMPORTED KANTAKA.

KANTAKA, by Scottish Chief, son of Lord of the Isles, by Touchstone, was bred by Mr. W. Blenkiron, England, foaled 1880, dam Seclusion (Hermit's dam), by Tadmor. Kantaka was bought as a yearling in England by Mr. P. Lorillard for the sum of \$5,000, and was trained there by Mr. Lorillard's trainers, Mr. Puryear and Mr. Pincus, but never ran on account of injuries received in his exercise. He is represented, however, by Messrs. Puryear and Pincus as one of the most promising yearlings they ever trained. By an examination of his pedigree it will be seen that he is one of the finest bred horses in the world, being more than a half brother to Hermit, winner of the English Derby in 1867, and who during the the past ten years has risen into fame as the leading sire of England, having sired Peter, Shotover, St. Blaise, Tristan, Thebais, Clairvaux, St. Marguerite, Queen Adelaide and St. Helena.

On the sire's side, Scottish Chief is by Lord of the Isles, by Touchstone, and Hermit's sire, Newminster, is by Touchstone. Kantaka is a true chestnut, 15 hands and 3 inches high.

Kantaka is young in the stud and has had but eleven starters at this writing (June 15, '89), five of them securing winning brackets, viz : Canteen, G. D. Boyden, Dock Wick, Irish Dan (Kantaka or Algerine), and Tipstaff (Rayon d'Or or Kantaka.)

ADELAIDE.

At two years old started three times, running second to Parole in both the Saratoga and Alabama Stakes, and third to Sultana in the Two-Year-Old Sweepstakes at Saratoga. At three years old started but once, running unplaced in mile-and-a-half purse to Ore Knob at Jerome Park.

If this is true, the extension of Nettie Sterling's pedigree would be: Seventh dam, *Trumpeta by Trumpator; Eighth dam, Sister to Lambinos by Highflyer; Ninth dam by Eclipse; Tenth dam Vauxhall's dam by Young Cade; Eleventh dam by Bolton Little John; Twelfth dam, Darham's Favorite by Son of Bald Galloway; Thirteenth dam, Daffodil's dam by Sir T.
